ARREST OF ALLEGED THIEF.

Charles Walton was arrested in this city yesterday afternoon while, it is claimed, he was about to dispose of a quantity of mutilated bronze and pewter ornaments and it is believed he is the man who carried off several thousand dollars' worth of fixtures from the residence of Mrs. Edward F. Quailtrough, U. S. N., at 1901 F street northwest, Washington.

The police are of the opinion the man is also responsible for a large proportion of the numerous other vacant-house robberies that have been reported in that city within the past few months.

The robbery was reported at police headquarters in this city shortly after it had been committed, and the officers immediately went to work on the case, as it was believed the thief would endeavor to dispose of the plunder in this city.

Officer Knight soon succeeded in getting on the trail of the man, and when the case had been worked up to a degree when an arrest could be made, he apprised Chief Good and the latter notified the Washington authorities.

Yesterday Detectives Barber and Vermillion, of Washington, came here and they (in disguise) accompanied Officers Knight, Garvey and Ferguson to a point opposite a junk shop on lower King street.

After the officers had waited some time on the opposite side of the street, Walton appeared with a bag containing the remnants of some of the bronzes which it is believed were taken from Mrs. Quailtrough's residence, and he was immediately placed in custody. He was taken with the plunder to the station house and later conducted to Washington by the officers from that city.

Detective Barber had visited the junk shop Thursday night and he took Mrs. Quailtrough to the place yesterday morning to identify one of the pieces which had previously been sold. He learned the man who had sold the statue intended to make a second visit to the place in the afternoon.

The bronze figure recovered is about four feet high, and represents a female figure supporting a basket. Among the articles found in the bag were parts of a chandelier.

There is still a large portion of the missing articles which the police have been unable to locate. The lot consists of four heavy bronze chandeliers, six bronze vases, five bronze wall brackets, a pair of steel fenders and grate plates, and three other bronze statues. It is said that the bronzes were sold as junk for \$70.

The Washington police say Walton has served terms in both the jail and penitentiary.

TEMPERANCE RALLY.

A delegation of members of the High-Ten, independent Order of Rechabites, of Washington, visited Alexandria last night and conducted a temperance rally at the First Baptist Church. Previous to the meeting there was a parade on King street, headed by a brass band, whose members are connected with the Rechabites. Addresses urging incessant warfare against the liquor traffic were made by High-Ten Chief Ruler N. Elwyn Vowles, Rev. Dr. W. F. Fisher, pastor of the First Baptist Church; Rev. Mr. Clark, of Manassas, and former High-Ten Chief Ruler Wayne Cordell, of Washington. Mr. Vowles urged active work in the temperance cause in this city, as well as elsewhere, and advised all Alexandrians interested in the movement to join Perseverance Tent, the local organization. He said the younger people should be induced to greater interest in the matter by having them form a junior tent. Mr. Cordell deplored the difficulty of arousing public concern in the temperance cause, remarking upon the small number of persons present who were not members of the society. In that connection, he declared that if the meeting had been gotten up by saloon men it would have been attended by a thousand people. Rev. Dr. Fisher, who followed with an earnest address in behalf of temperance, said that he was disappointed with the meeting on the point of attendance. He urged the visitors to come again, and promised that on the next occasion the church would be filled.

## IMMIGRATION ASSOCIATION.

Mr. J. T. Preston, secretary of the Chamber of Commerce, has returned from the Southern Immigration Association which has been in session at Norfolk. Mr. Preston was chosen a member of the board of directors, when a permanent organization was effected, and he also served as a member of the committee on by-laws. The association will hold meetings in June and December each year. The convention was attended by a large gathering of representative business men from Virginia and North Carolina. A number of land and industrial agents from various railroad companies were also in attendance. The object of the association, as previously stated, is to promote desirable immigration from European countries.

## MOVING PICTURES.

The exhibition of moving pictures at the Opera House continues to attract large crowds of young and old. The pictures are thrilling and realistic and are greatly enjoyed. They are of a large variety and are being constantly changed.

Mr. Jefferson, manager of the Opera House, wishes to state that the reserved coupons held for seats in the orchestra circle at the benefit for the Baptist Church Thursday were only good up to 8 o'clock, according to the rules of the committee having the entertainment in charge, and those who came after that hour who held coupons for seats forfeited their right to such. The manager was not to blame for this confusion.

## FUNERALS.

The funeral of Helen, infant daughter of Mr. and Mrs. Hiram Sutton, took place this afternoon at her parents' residence, 417 Wilkes street. Rev. G. L. Humphreys, pastor of the Methodist Protestant Church, conducted the services.

About fifty guests were present, among whom were Mrs. Louis Hancok, of Charlottesville; Miss Parish, of southern Virginia; Miss Beale, of Boston; Miss Julia Lippitt and Miss Marie Tunstall, of Washington. The hostesses at the tea next Friday afternoon from 3 to 5 o'clock will be Mrs. William Bryant and Mrs. Herbert Oliver.

## COMPLAINT FROM THE COUNTY.

Considerable complaint is being made by the residents of Braddock Heights owing to the alleged failure of certain trains over the Washington, Alexandria and Mount Vernon Railway to stop at that station. It is said that the matter will be brought to the attention of the State Corporation Commission. A citizen of that suburb stated this morning that a letter, signed by many residents of that place, was recently submitted to the railway company's officials asking for better service, but that up to the present time they had not received any response.

## FINED AND IMPRISONED.

In the Circuit Court of Alexandria county, yesterday afternoon, Judge J. B. T. Thornton presiding, Henry Clayton was fined \$200 and sentenced to serve sixty days in jail on a charge of operating slot machines. Counsel for the accused, Messrs. Machen and Moncure, noted an appeal. The case was upon an appeal from a decision rendered by Justice Suplee several weeks ago when Clayton was fined \$100 and sentenced to serve thirty days in jail. The verdict was a surprise to both Clayton and his attorneys.

Immediately following the court's verdict Judge Thornton issued a rule against John C. Nelson to appear in court Wednesday morning next at 10 o'clock to show cause why he should not be fined and imprisoned for attempting to bribe a witness in the case of the Commonwealth against Henry Clayton. The outcome of Nelson's case is awaited with considerable interest. The action of the court against Nelson was the cause of considerable gossip among the court attaches as well as those present.
